Best Practices

Effortless Meeting Preparation

Compose and share rich agendas to keep your meetings focused.

Powerful In-Meeting Collaboration

Capture the discussions, action items, and decisions with an interactive meeting experience.

Instant Record Keeping

Streamline authoring minutes and tracking deliverables.

Compliance

Never be unclear about who, what or when. Track attendance and keep detailed notes of discussions and decisions, including audio recordings, to comply with certifications or regulations.

Operational Excellence

With over 30% of your day spent in meetings, it's time to take control. Lucid Meetings provides the meeting structure you need to accomplish more in less time.

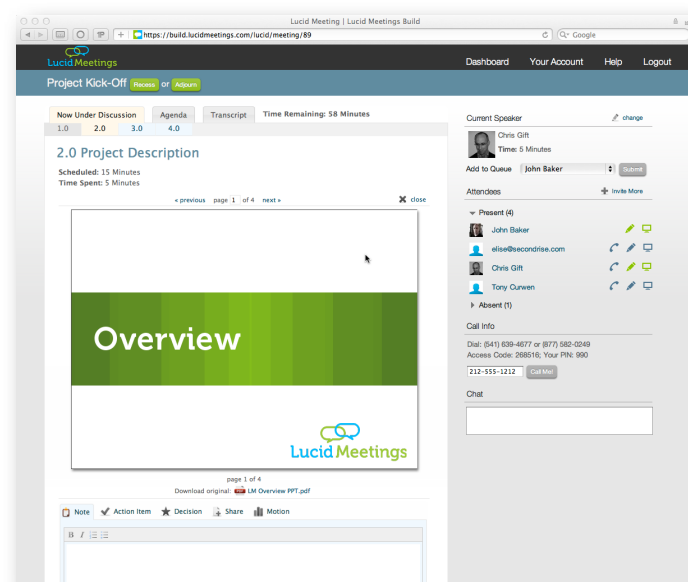

“Solves the biggest problems with today’s online meeting software”

Wayne Turmel
